Authorised for PYP

Ruya International School is authorized to offer the Primary Years Programme (PYP) of the International Baccalaureate (IB).

As an IB World School, Ruya shares a common philosophy—a commitment to high-quality, challenging, inquiry-based, and concept-driven international education. The school fosters student agency, critical thinking, and meaningful connections to the real world, which it believes are essential for developing knowledgeable, caring, and lifelong learners.

Only schools authorized by the IB Organization can offer any of its four academic programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), the Diploma Programme (DP), or the Career-related Programme (CP).

For further information about the IB and its programmes, please visit www.ibo.org.
