

Our school values: Citizenship - Respect - Care - Integrity - Responsibility –Justice - Creativity – Investigation

CELEBRATIONS POLICY

The school has a policy regarding parties and gifts to maintain discipline and the continuity of the daily program. To streamline celebrations and avoid disruptions, the school does not allow birthday parties or celebrations during school hours. Instead, the school celebrates each child through the 'Star of the Week' program.

Parents are requested not to send birthday cakes or gifts to the school for their child's birthday, either during or after school hours. The school only allows storybooks to be brought without bags, as any other gifts sent by parents will be sent home with the child at the end of the day.

This policy is implemented to ensure that the school day proceeds smoothly and without interruptions, while still acknowledging and celebrating each child through the 'Star of the Week' program. Parents are asked to adhere to these guidelines to support the school's commitment to maintaining a focused and structured learning environment.
